Vernice returns to Paris for 3 weeks on 1 July 2008, during which she will have a day of acting in *The Concert* by Radu Mihaileanu (*Va, vis et deveins*). While in Paris, Vernice will be available for private coaching. Contact her at: verniceklier@gmail.com

Tips

When out and about, do not forget about promoting yourself. Always be prepared with your business cards, postcards, CV/resumes. Especially important to have these items with you at networking events such as the monthly Bridge Media Network conference/event.

Members' Highlight

The Improfessionals are an international improvisational theatre troupe based in Paris, France. Improvisation is live, spontaneous theatre. Actors create characters, places and relationships to build a scene in which audience suggestions shape the action. Since all audiences are different and all scenes are created on the spot, no two performances are alike. This is theatre without a safety net!

Just Because: Improv Meets Autism

WEDNESDAY June 18th - 20:30 at *Café de Paris*

With extra special guests: **SCANDIMANIACS** - ze best Swedish rock band/cabaret duo in Paris! + **Gregor Moder** from the [Narobov Theatre Collective](#) in Ljubljana, Slovenia.

The money we make + any additional donations at the end of the show will go to the NGO '[Artist meets Autism](#)'. Our show is part of an international fund-and-awareness raising impro theatre festival happening in Berlin and other locations across the globe from the 14-22nd of June. See the attached pdf for more info on how the initiative was born!

JUST BECAUSE : special cabaret/chanson edition

A mixed bag of impro theatre based on your input (scribble, scribble) + songs and additional funny stuff from [Scandimaniacs](#). Click on the link for more info about them!

The audience provides us with hundreds of questions and answers that we then use in the show. How? We'll find out. Why? Just because.

Drink, eat and be merry - restaurant and bar open before and after the show.
